REGISTER EARLY, SPACE IS LIMITED!

The National Recreation & Park Association's Playground Maintenance Course is a one-day (6.25 hour) educational course that provides participants with an understanding of basic playground hazards, applying safe maintenance practices on equipment, identifying surfacing types and proper maintenance procedures and establishing proper record keeping practices. Participants receive a certificate upon completion of the Playground Maintenance Course. Please be advised this is not an Inspector Certification. This course counts for .6 CUEs and can be used towards CPSI Renewals.

CPSI Renewal Process

Beginning July 1st, 2026, there will be two potential ways to renew your certification.

Option 1: Sitting for and passing the CPSI Exam

Option 2: Successfully completing 2.0 CEU's in playground safety during the 3-Year certification cycle and submitting a completed CEU Recertification Application.

URPA will offer the following options for CPSI CEUs

CPSI Course: Each year we will offer the CPSI Course (without the exam) as a course to obtain CEUs. The CPSI Course will provide 1.5 qualifying CEUs and be offered at least twice a year, typically in January and November.

NRPA Playground Maintenance Course: URPA will also begin offering the NRPA Playground Maintenance Course - which is a one-day (6.25 hour) workshop. This workshop will cover 0.6 CEUs and be offered several times each year.

How does the complete process work?

- Individuals with a CPSI expiration date of July 1, 2026 or later will have the opportunity to recertify with a Recertification Application (2.0 CEUs) or by completing the CPSI Examination
- The Recertification Application will be provided through the certified professional's online profile at the time of launch and will require individuals to list all of the 2.0 CEU Credits they obtained during their 3-year certification cycle.
- The final step to the application process will be the submission of a recertification application fee of \$95 for NRPA members and \$125 for non-NRPA members.
