

URPA Webinar

DROUGHT MITIGATION

MAY
19
11:00 AM

Join URPA and Colby Hill from South Jordan on May 19 for a free webinar focused on drought mitigation strategies, water conservation planning and innovative approaches agencies can implement in their communities.

Participants will also have the opportunity to collaborate with peers, ask questions, and discuss challenges and successes happening across Utah.

This event is free, but registration is required to receive the Zoom link.
